Sir:

This is in response to the Notice of Non-Compliant Amendment mailed 05 March 2010, and further in response to the official action mailed 25 November 2009. In a telephone call from a member of the Office of Initial Patent Examination, the United States Patent and Trademark Office clarified that the amendment filed on 25 February 2010 was not compliant for not providing a full listing of the claims. Specifically, claims 1-149 were previously canceled, yet were not listed as such in the amendment. The present amendment includes a full listing of the claims. Applicants hereby confirm that a request for continued examination under 37 C.F.R. § 1.114 is made. The requisite fee was previously paid on 25 February 2010.
